Climb Ev'ry Mountain

Words by
OSCAR HAMMERSTEIN 2nd

Music by
RICHARD RODGERS

Maestoso

Piano

Piano introduction for the song. It features a grand staff with treble and bass clefs. The music is in 4/4 time and begins with a forte (ff) dynamic. The melody is composed of eighth and sixteenth notes, with a descending line in the right hand and a more active bass line. The key signature has one sharp (F#).

Refrain (with deep feeling, like a prayer)

Vocal and piano accompaniment for the first line of the refrain. The vocal line is on a single staff with a treble clef, and the piano accompaniment is on a grand staff. The lyrics are "Climb ev - 'ry moun - tain, search high and low,". The music is marked with a mezzo-forte (mf) dynamic. Chord symbols C, D, G, Gm7, C, and Fmaj7 are written above the vocal line.

Vocal and piano accompaniment for the second line of the refrain. The vocal line continues with the lyrics "Fol - low ev - 'ry by - way, ev - 'ry path you know." The piano accompaniment continues with a similar rhythmic pattern. Chord symbols Fm6, C, Dm7, G7, and C are written above the vocal line.

We arrive at Appalachian as new, frightened freshmen and the everflowing tide of the affairs of our school engulfs us. A roommate . . . new people to meet . . . freshman orientation . . . our first college classes . . . ball games . . . cheers, laughter, tears . . . dates . . . the big dances . . . short visits home . . . exams . . . and before we really expect it, a year has flown by . . . then two . . . then three, and we are seniors. New experiences . . . new places . . . student teaching . . . and graduation. Where did the time go? With each passing minute, day, and year we looked onward and upward. Now graduation leaves us not only looking back at our school where we have lived, worked, and played, but also looking to the future and the new exciting years yet in store for us.

Always look upward.

Throughout our college years, we engage in many activities. We take part in clubs . . . perhaps we are invited to join an honor society. We take part in enterprises which meet our interests . . . debating . . . dramatics . . . newspaper work. We enjoy the seasons . . . Fall . . . lovely trees . . . hikes . . . DR. PLEMMONS AND DR. RANKIN

GREETINGS!

It is a pleasure to greet and salute the students, faculty, and other friends of Appalachian through the pages of the RHODODENDRON. This publication has a very vital place in the student life of the campus, and in compiling for history the part the students played in the life of the college during any given year. We are all very proud of the editions of previous years, and we know that the one for 1963-64 will measure up in every way to those that have been published before.

As each of you leaves the campus, you will take with you the love and best wishes of your Alma Mater, and she will follow your every activity with great interest and pride.

God bless you, now and always!

We, the staff of the 1964 RHODODENDRON, hope that you will enjoy this annual as much as we have enjoyed compiling it for you.

Our theme, "Climb Ev'ry Mountain," tells of someone searching for a goal and a dream. We hope that you will be able to remember this theme as you search for your dream at Appalachian and your goal in life.

The Appalachian, a weekly newspaper which has no faculty or administrative censorship, is published by a staff comprised of students who maintain at least a 2.00 quality point rating and who are interested in writing. The editor and business manager are chosen in a campus-wide election held each year during the latter weeks of winter quarter.

In addition to membership in the Associated Collegiate, Inter-Collegiate, and Carolina Collegiate press associations, *The Appalachian* maintains an exchange system with newspapers of other colleges and universities all over the United States and abroad.

Each year delegates attend the National Associate Collegiate Press Convention to study and discuss changing concepts in the field of journalism with other college newspaper representatives. This year four delegates attended the convention in New York City, New York.

The staff has endeavored to present accurate news, interesting features, and stimulating ideas to the students in the 1963-64 issues of *The Appalachian*. The main editorial policy was centered around cultivating a student body awareness of campus activities.

COACHING STAFF: JIM DUNCAN, Head Coach; ROBERT L. BREITENSTEIN, CARL MESSERL.

The Appalachian Mountaineers had a season record of six wins and three losses. The highlights of this season were the Lenoir Rhyne, Elon and Catawba games. For the first time in several years, our football team tasted Bear Meat and the App fans went wild! In the second half of the Catawba game, the two teams were swapping touchdowns. But the Mountaineers came through with another victory! The Elon game was our deciding factor. We needed that one because we were not scheduled to play Guilford, but Elon stopped the Apps with a fourth down field goal.

Larry Hand was named the Outstanding Lineman of our conference. Both Larry Hand and Greg Van Orden were named to All State. Hand was also named to the NAIA second team All American. Van Orden was named to the Associated Press All American second team and the Williamson All American team. A nice season for our Fighting Mountaineers.

It's mine, all mine!

The Appalachian Mountaineer cagers had a season record of fourteen wins and eleven losses. The season was highlighted by several thrilling games. One of these games was the upset the Light Brigade gave the Cats of Western Carolina. Led by the shooting of Wayne Duncan and Jim Richardson, Appalachian took an early lead with Western slowly moving out in front. Late in the second half, the Apps pulled to within one point. At this point Duncan drove in for a layup, giving the Mountaineers the lead. Free throws by Jack Lytton and Doug Wall provided the final margin of victory. In the game against Wofford, the Appalachian cagers hit on 55% of their shots from the floor and captured 46 rebounds in one of their best showings of the season. But in a game that kept all fans on the edge of their seats, the Apps came out victorious. With a tie score of 54-54 against Elon, Jack Lytton hit on a forty-foot field goal with one second left on the clock. As the buzzer went off, the fans went wild—and who wouldn't!

Our Appalachian Mountaineers were the champions of the Sixth Annual Spindale Basketball Tournament. Victories over Piedmont College and Erskine College gave the Mountaineers the title of the event. Wayne Duncan, junior forward, was honored with the Most Valuable Player award in this tournament. With returning lettermen such as Duncan, Dobbs, Reynolds, and Hailey, the future looks bright for the Light Brigade.

The Appalachian track team had a humble beginning this year. It was the first year that our school had a fully organized team, but the boys that participated were filled with enthusiasm and high hopes. With many factors against them (such as weather and inexperienced players), our track team gained prestige by playing such teams as Davidson and Wake Forest. They ended the season as third in our conference and fourth in the N.M.A District 26. With such determination and enthusiasm as this team has shone, the App fans can expect great things in the future.

The Mountaineer wrestlers ended their second straight unbeaten season with seven wins and two ties in dual match competition. The pride of the Mountaineer grapplers this season was Ed Winterstein, a sophomore. Winterstein had an 8-0 record this season to go along with his 4-0 record as a freshman last year. He has never lost a college match.

Highlights of the season were the games with Old Dominion College, Milligan, and North Carolina State. Appalachian won the game with Old Dominion with the final match of the evening. In the game against Milligan, the App grapplers won six of the eight matches with falls. A crowd of approximately 1000 fans was on hand for the N. C. State match. The highlight of this meet was the victory of Appalachian's Ed Winterstein over State's Jim Sawhyll. Winterstein took a 3-2 decision over the ace of the Wolfpack, who had entered the match unbeaten.

The Appalachian baseball team had a season record of five wins and eleven losses. It was Coach Meyer's first year with this team. The record does not clearly show the ability of this team. Gene Sides pitched twelve innings against Newberry, but we lost 1 to 0. Some of the better hitters were Jim Goff with a .338 average, Herb Diggs with .328, and Dale Yount with .323. Next year's team will be without pitchers Bill Jarrett and Gene Sides, but Meyer has Dale Yount, Doug Phillips, Paul Reuter, Jerry Saunders, and Fred White. Next season should be a much better one.

GOLF TEAM

The Appalachian golf team had a season record of sixteen wins and seven losses. The team went on to win the Carolina Conference Tournament and the NAA District 26 Tournament. As a finishing touch, the App team placed sixth in the country in the tournament in Kansas City, Missouri. A very good season for this winning team.

MEN'S TENNIS

The App tennis team enjoyed a season conference record of eight wins and no losses. Their conference opponents scored only two points the entire season. The team won the Carolina Conference Tournament with Norman Chambers as first flight singles champion, Ronnie Smarr and Norman Chambers as first flight doubles champions, Sam Sifri and Kay Stallings as second flight doubles champions, and Sam Sifri as fourth flight singles champion. Chambers won all of his nineteen matches for the season. Smarr, Stallings, and Sifri were defeated only once. With this brilliant playing, the tennis team finished fourth in the national tournament in Kansas City, Missouri, with Norman Chambers playing as far as the quarter finals.
